The Major transmits a communication from H. S. | please address Srokes, claiming the reward of \$500, offered by Mayor Hollingsworth for the apprehension of any person or persons charged with the crime of arson. Also, a communication from the Robertson Association praying an appropriation for the relief of the Mr. HURLEY presented the report of the Superin-

tendent of the Water Works, showing that the reservoir has been completed. The report of the Wharf Master shows collections

amounting to \$44 25 since last report. Mr. Cox presented the report of the Chief of the Fire Department, showing that there were nine fires during the month of December, (including that of LUMSDEX & Co., just beyond the corporate limits,) involving a loss of \$82,425, on which there was insurance amounting to \$46,200. There were also three false alarms, calling out the Department. The expenses of the Department for the month were \$895.14. The Chief states that he has been compelled to discharge two members of the Department on necount of intoxication.

The report of the Sexton of the City Cemetery shows that the interments for the month of December amount to 44-33 white and II black-37 of whom were from the city. The total number of it terments for the year 1858 was 415, for 1859, 483, and for 1560, 573.

THE SHOOTING OF MIL THEORIE-PATAL MISTAKE. Mr. Sins, of the firm of Messra Kimina & Sins, Produce Merchants at No. 71 Public Square, presented bimself to Attorney General Raixs yesterday and acknowledged that the shooting of Mr. Tercous on the suspension bridge Monday night was his act. and stated that it was done in self-defense. Mr. Sims had a hearing before an examing court yestercay, composed of justices Rosentson, Maxin and Companies, and it appearing to their entistiction that Mr. Siza was acting in self-defense, he was promptly discharged. It appears Mr. Sius was crossing the bridge and had noticed Mr. Tiroum following him in what he regarded as a mysterious manner, and when the latter staggered up against him be supposed it was an attempt to rob him, and made an effort at defense. Mr. W. E. La cas, who happened near by at the time, called to Mr. Stus not to shoot, as Tircoun was drunk. Not knowing the gentleman who addressed him. Mr. sens fears were further excited, regarding him as an accomplice, and accordingly defended himself in the fatal manner heretofore noticed. This is indeed a lamentable affair. Mr. Sixs is a worthy gentleman and no one will regret more than he the course he felt it necessary to pursue when he supposed he was in the hands of robbers.

The duel which was on the tapls between Mesers. STANTON and SAVAGE, did not come off, as the officers interfered and arrested the parties when they had reached the place of meeting on the Kentneky | 1000 line near Mitchelville, in this State. We understand Missoure. that officers from both Tennessee and Kentucky were in attendance to arrest the parties. The genthemen returned to this city last evening.
